Privacy Procedures, Authorization to Treat, and Acknowledgment

These authorizations, acknowledgements, and waivers cover all services rendered for today's services and for all future dates of service.

Authorization to Treat

In signing this document you agree to give authorization to receive treatment by our medical staff and release **Peachtree Immediate Care (PIC),** its Owners, Physicians, Physician Assistants, and Nurse Practitioners, and/or any clinical staff member from any liability claims that may result from any treatment, medications, and/or procedures that have been provided to you.

You may be seen by a Nurse Practitioner or Physician Assistant contracted with our facility to conduct services for **PIC** patients. These medical personnel are highly qualified to meet the medical needs of our patients; however, some of them are not **PIC** employees, and are contracted on an as-needed basis by **PIC**. If you do not wish to be treated by a Nurse Practitioner or Physician Assistant, please inform the front desk personnel.

Financial Policy

Payment is due prior to services being rendered

All account balances, co-pays, deductibles, and self-pay charges are due at the time of service. This includes both patients with and without insurance.

Accounts with a balance must be paid prior to being seen. For delinquent/bad debt accounts, we reserve the right to turn the account over for collection to a collection agency. Once your account is transferred to a collection agency, all further correspondence must be with them. Having your account in collections could interfere with us providing you medical care in our office.

As a courtesy, we will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.

In the event that your insurance fails to pay for services rendered at **PIC** (e.g., deductible not met, out-of-network charges, denial of claim, cancelation of coverage, etc.), in signing this, you agree to be responsible for any remaining balance, with the exception of an adjusted contractual agreement, within sixty (60) days of service.

In addition, you agree to a late payment penalty of 10% of the balance and 1.5% interest per month until the balance due has been paid in full.

Payment can be made by: Cash, Check, or most Major Credit/Debit Cards.

All returned checks, stop payments, and credit card "charge-backs" will incur a fee of $30.00.

All products sold in our office are non-returnable.

For our patients **without insurance**, payment for the office visit is expected prior to being seen. There are costs associated with any additional services provided to you and payment for these services must be paid in full at the time the services are rendered.

For our patients **with insurance**, this includes **Co-pays**, **Co-Insurance**, and **Deductibles**. Please understand that this is only an ***estimate*** which is subject to final approval by **your** insurance company and may change the amount due to our office.

Providing quality Health Care to you and your family is our highest priority. That is why, when it comes to talking about finances, our goal is to provide you with clear information regarding our fees and your payment options.

WAIVER OF OUTSIDE LABORATORY AND RADIOLOGIST

In reading this, you understand that **PIC** may send lab specimens to an outside laboratory or send x-rays taken at **PIC** to an outside radiologist to over-read. In addition, you give permission to bill your insurance company for these services. You may incur additional charges as a result of these procedures. **PIC** is not responsible for these additional charges.

ACKNOWLEDGEMENT OF RECEIPT OF NOTICE OF PRIVACY PRACTICES

In signing this document, you acknowledge your understanding that Privacy Practices are posted for your information. To note, you have the right to opt out of the health information exchange that **PIC** participates in as a member of the Emory Health Network. A copy of the Privacy Practices can be provided to you upon request.

PEACHTREE IMMEDIATE CARE

CONVENIENT PAYMENT SOLUTION

Patients are responsible for their healthcare bills; however, Peachtree Immediate Care submits claims to insurance carriers as a convenience to our patients.

If upon receipt of an Explanation of Benefits from your insurance carrier there is still a balance owed, you are responsible for payment. Therefore, we request authorization to charge a major credit/debit card for this amount. We will attempt to contact you via email prior to debiting your card, and at that time, you will have the option to submit payment in a different form, if you choose. If insurance pays in full, your account will not be charged, and you will receive no notice or invoice.

Please note, there is no charge to your card today. All credit card/debit card information will remain absolutely confidential, encrypted and securely stored by **First Data**. Peachtree Immediate Care will not store any credit card account data. During each visit, we will swipe the credit/debit card you wish to use for that particular visit.

I hereby authorize Peachtree Immediate Care to charge any and all outstanding balances, after insurance company reimbursement or denial, to my credit/debit card for this visit. I understand that I will not receive a statement if there is no balance due after processing my credit card for payment.
